IMPORTANT: *The World Futurity is designed to promote llamas by providing a prestigious show, and a place to promote individual breeding programs and farms. It is NOT meant to be a place to market your futurity entries. The Spring Celebration Llama Sale has an obligation to the consignors of sale animals, and cannot allow the show to become a place for selling animals outside the sale. We feel this is necessary to ensure the continued success of both the sale and the show. If, as a result of having your llama in the World Futurity, you receive an unsolicited offer which you feel is too generous to decline, you must record the sale with Sale Management. There will be an assessment of 15% of the selling price on any sales resulting from participating in the show. Any unrecorded sales will result in the suspension of both the buyer and seller from future events. I have read and agree to abide by the above policy regarding the selling of show entrants.*
