Rain Dance Ranch

Newberg, Oregon

Rain Dance Ranch was founded in 1991, when we purchased two females. We now have over 120 llamas that include top Peruvian, Chilean and North American bloodlines. Our first show was in 1992 at COLA (Central Oregon Llama Association); we have been showing ever since. We have had several ALSA Grand National Grand Champions and Celebrity World Futurity. Our goal of “Breeding quality bloodlines for excellence in conformation, fiber and temperament” has led us on a search around the world for the finest animals. We enjoy our llamas in the field and in the show ring, and hope to encourage others to do the same. Visit us at www.raindanceranchllamas.com
