M.R.S. CHILLAKO ONE

M.R.S. Jimmy Brown x ACM Velvet Touch 13 July 2007 #271705

Co-owned: Dan and Marilyn Milton, Highland Llamas, Jacksonville, Oregon
Allen and Liz Victor, Bolt Mountain Llamas, Grants Pass, Oregon

Chillako is a tall, statuesque suri male that captures your attention the moment you see him. His flowing, pencil-lock fiber, in shimmering gray, demonstrates the quality of his fiber genetics. His smooth even stride speaks of correct conformation and athleticism. His calm demeanor makes him a pleasure to work with. His beautiful head and ears are endearing.

Chillako's bloodlines include Bolivian Radical, Chilean Leroy Brown and many well known and proven Canadian genetics.

In Chillako's limited career in the show ring, he has already earned several Grand and Reserve Grand Championships including Fiber and Composite Class, combining halter and fiber scores. He placed fourth in the Top Ten at the 2009 ALSA Grand National.

Chillako is a proven breeder and we look forward to his first crias in December of 2010. He is available for a limited number of outside breedings in 2010. We offer a "Celebration Special" breeding fee of \$1500, a \$500 savings for those in attendance at Celebration.
