MMF FLASH IN ACTION

Total Fascination x WLK Catarina 24 September 2007 #271442

Co-Owned: Carol Millard, Misty Meadows, Ashford, Connecticut

MMF Flash in Action represents all that we look for in a good breeding llama: presence, pedigree, conformation/fiber, and attitude. With Chileno Chiro Chico #74 from his sire's side and WLK Heat Wave from his dam's side, great genetics have merged into a very special package. He has a calm friendly attitude but a lively presence whether in the ring or on the trail. We expect him to settle his first females this spring and look forward to him passing of those fabulous traits.
