

## *Herd Sire Bio*

### **PERUVIAN PRECEDENT**

Peruvian Keno PC-1 x T.J. Precious 22 April 2002 #240454

Owner: Gary & Janet Brant, Star Llama Company, Dundee, Michigan

Leased in 2010 by: Wil and Sherri Tallmon, Hidden Oaks Llama Ranch, Estacada, Oregon

Precedent's suri genetics are from the Keno line. Peruvian Precedent is one of the very few black and white premium proven suri sires in the U.S. He has 31 currently registered offspring. He is easy going, yet a vigorous breeder.

On his sire's side he is three suri generations deep, going back to Peruvian Maximo PC1 who was the Peruvian suri black National Champion while still in Peru. Suri offspring from Precedent are 4th generation in genotype and phenotype. His dam side is full Bolivian, going back to L.W. Blossom & the pure Bolivian bloodlines from the Iris Christ Llama Woods Bolivian operation.

He has produced several champion show offspring, including.....

- **Star Point Blank**, owned by Kent Rock Meadows, a multiple suri Grand Champion.
- **Star Premium Plus**, LFA suri juvenile male futurity champion.
- **Star Dynamica**, the high selling female at the 2009 LFA auction in Cedar Rapids, IA.
- **Star Spiral Heartbreaker**, owned by Solid Rock Llamas, a Reserve Champion suri female at the North American/08 and the Grand Champion suri female in both ILR and ALSA judging at the well attended Llamafest/09 held in Lansing, MI.
- **Star Spangled Banner**, one of his best suri offspring, was exported to New Zealand as a foundation suri sire for New Zealand & Australia. He was chosen as New Zealand's Champion suri male at the 2008 NZ National stock show in Christchurch.

Star Llama Company is keeping a Precedent son, **Star Primary Colors**, as his replacement as well as a full sister **Star Prime Property**. He is keurred & SLA registered.

Precedent will be standing at stud at Hidden Oaks Llama Ranch in Estacada, Oregon during the spring & summer months of 2010.
